Kathleen –

Abi just called to tell me that Joel Beauvais has requested a 15 minute call with Jared re: Rosemont. Joel was just briefed on Rosemont this morning (we participated). Abi wanted to know if it would be better for Jared to talk with Joel before or after we update Jared at 11am on Friday. The only time available on his calendar this week is Friday morning before the update briefing; otherwise, she'll have to push it to next week. I told her that, if she could schedule the call with Joel for early next week, that would probably be preferable, so we can update Jared on schedule, etc., first; but, if that's not possible, it would not be a crisis for Jared to have the call with Joel Friday morning before our briefing. She said she would see what she can do.

OK team,

Lets prep for a briefing on Friday the 11th. As you know, jared knows a lot about the case already. I think I would focus on what has happened in the last several months

I confirmed with Jared that he will do this on 12/11. When Abi returns on Monday (assuming she's feeling better), we will confirm a time.

Hi Abi – I was just speaking with Kathleen about getting in to see Jared for a quick

Ex. 5 - Deliberative Process

She suggested we try for 12/11 with Jared, and that if a stand-alone time isn't available that we might use her update slot. Can we make either of those work?

Thanks - Jason
